We need to fall on our knees and beg the creator of all life to bring an end to the madness of abortion and euthanasia. We also need to educate as many people as possible about life issues. This is the purpose of the Pro-Life Corner. It should give people something to think about or a subject for discussion so that we can teach others about this crime against humanity.

Please continue to make copies of the Pro-Life Corner to send to friends, family, and churches. We depend on you to help us educate as many people as possible.

Our work here at the Pro Life Corner and maintaining our website depends primarily upon small donations. If you are able to send a donation to help support our work, we would be very grateful. May God richly bless you for your efforts in promoting the culture of life.

January 7- "All the wars ever fought, all the holocausts ever perpetrated, all the plagues that ever raged, all the bombs that ever dropped, all the famines that ever laid waste to the land, put together have not killed the number of human beings wiped out by ABORTION." -Fr. Frank Pavone

January 14- Did you know that since 1973 when abortion was decriminalized in the U.S. over 60 million babies have been killed in their mother's womb? This is equal to the population of a country the size of Italy! Help end abortion.

January 21- In the 45 years since abortion was decriminalized, there have been no winners in the war against the culture of life-only dead babies and victimized women.

January 28- You must make a "choice" - The future of our nation depends on it! Choose life, not abortion and euthanasia.

February 4- Abortion is an atrocity. Those who support or endorse it are either useful fools or treacherous devils. Satan is pleased with abortion and euthanasia.

February 11- Pregnancy is not a disease and abortion is not health care.

February 18- There are certain things in life God has called us to be. Being silent is not one of them, especially regarding abortion and euthanasia.

February 25- How does this statement relate to us? "I was trying to figure out which is worse, ignorance or apathy. Then I realized I don't know and I don't care." Such apathy and ignorance is why abortion is still "legal" today.

March 4- Regarding abortion: "When God says 'Let there be life', dare we say 'It shall not be?' " Mother M. Angelica

March 11- "This (abortion) is a debate about our understanding of human dignity, what it means to be a member of the human family, even though tiny, powerless and unwanted" - Henry Hyde. Pray to end abortion.

March 18- We support funding for a cure for AIDS, breast cancer, and other causes, but where is the courage to cease funding and the support for abortion and euthanasia? Join pro-life and help bring an end to these crimes against humanity.

March 25- "I'm so busy doing nothing that I don't do anything else." Is this why abortion and its miserable fruits are running rampant in our nation? We sit back and do nothing and consider ourselves to be busy. Now is the time to join pro-life and work to end abortion and euthanasia.

April 1- If you don't stand for something, you'll fall for anything. Stand up and speak out for life. One man or woman with courage can have a positive effect on the future of our nation.

April 8- Pro-"choice" is no choice. Pro-choice is death to the baby, the family, and to the future of our nation!

April 15- Fetus is a Latin word for "young one" and should not be a pro-choice word for fair game.

April 22- In America over twenty-four times as many babies die through abortion than women die to breast cancer each year. About 41,000 women die each year from breast cancer. Over 1,000,000 babies die from surgical abortion each year, and that does not take into account the millions of chemical abortions.

April 29- Whether by pill or invasive surgery, abortion is never good for women and it is always certain death for the baby.

May 6- Abortion is the real war on women.

May 13- Susan B. Anthony once said: "Guilty? Yes. No matter what the motive, love of ease or a desire to save from suffering the unborn innocent, the woman is awfully guilty who commits the deed. It will burden her conscience in life, it will burden her soul in death; but oh, thrice guilty is he who drove her to the desperation which impelled her to the crime!"

May 20- "There are two victims in every abortion, a dead baby and a dead conscience" -Mother Teresa

May 27- It's easy to love life when it's beautiful and perfect. But the real test of our love is to love, respect, and defend ALL human life from beginning to end; young and old, born and unborn.

June 3- The D-Day invasion of France in WWII was one of the bloodiest in history. There were 53,714 allied soldiers killed in the "Battle of Normandy". Yet our world kills almost three times that amount every day through surgical abortions and the world is silent.

June 10- Doing the right thing is not just for your own good, but for all humanity. Praying and working to end abortion is the right thing for all of us.

June 17- Instead of BABY they say blob of tissue; instead of killing, they say aborting; instead of dissect, they say research; instead of extermination chamber, they say abortion clinics. Lord, when will this madness end?

June 24- No human being is ever conceived outside God's will or ever conceived apart from God's image. Life is a gift from God created in His own image and likeness. Work to stop abortion and euthanasia today.

July 1- "Unless liberty is devoted to the defense of life, neither life nor liberty can survive." Richard John Neuhaus

July 8- Our society looks back at great injustices in the past and declares never again! Yet society is perpetrating the greatest injustices in the history of the world, abortion and euthanasia.

July 15- The unborn baby: not a problem, not a parasite, not a potential, but a person with potential.

July 22- Humanity has overcome the food chain and having surpassed all other predators, has now turned to a strange form of cannibalism: humanity preys upon itself. We murder our own children through abortion and call it progress. Pray to end abortion.

July 29- Albert Einstein once said: "The world will not be destroyed by those who do evil, but by those who watch them without doing anything." In Einstein's day the evil was the Holocaust. Today's evil is the holocaust of abortion and euthanasia. What will you do to help stop this evil?

August 5- In 1945 the atomic bomb was dropped on Hiroshima. According to the encyclopedia, 92,000 people died that day, and the world still remembers. Yet worldwide 150,000 babies are murdered by abortion every day-and the world is silent.

August 12- To cause another person to die intentionally is not an act of mercy as some insist, but an act of murder. God is the giver and taker of life, not man. We must stop abortion and euthanasia.

August 19- Enlist in the fight against abortion today! Help to end the war against the unborn children. Hasn't Satan been sacrificing our children long enough? Abortion is the execution of our brothers and sisters and is destroying the future of our nation.

August 26- Jesus commanded us to love the least, not abandon them to destruction. We must stop aborting babies. Our nation's future depends upon it.

September 2- Stop bullying little people to death-stop abortion.

September 9- "The hottest places in hell are reserved for those who, having the power and responsibility to oppose evil, did nothing to extinguish it." Work/Pray to end abortion and euthanasia.

September 16- We are all guilty. Abortion continues to be legally practiced today because most Christians do nothing about it. Our silence is killing millions of unborn babies all over the world.

September 23- St. Theresa of Calcutta once said: "The greatest destroyer of peace today is ABORTION ... because it is war against the child. When we die, we will come face to face with God, the Author of Life. Who will give an account to God for the millions and millions of babies who were not allowed a chance to live, to experience loving and being loved?" Join pro-life today and offer to help at a local pregnancy care center.

September 30- Wake up America! Toleration of abortion is compromise; ignorance of abortion is complicity; inaction regarding abortion is approval. We must abolish abortions.

October 7- The words of the debate are deceptive. Abortion is demanded as a right, but no one has a right to kill another. Please pray and work to end abortion today.

October 13- "The state has an interest (responsibility) in protecting the poor, the elderly and disabled persons. The lives of the disabled and elderly must be no less valuable than the lives of young and healthy ... The difficulty in defining terminal illness and the risk that a dying patient's request for assistance in ending his or her life might not be truly voluntary justifies the prohibitions on assisted suicide we uphold here." - Chief Justice William Rehnquist

October 21- We are never defeated unless we give up on God. We need to pray unceasingly to end abortion and euthanasia.

October 28- Speak for those who cannot speak for themselves, God's precious unborn babies. We are not attempting to create any new laws; we just want the current laws against murder applied to all people, born and unborn.

November 4- You can't walk with God and hold hands with Satan at the same time. You can't be a true Christian and support abortion and euthanasia at the same time either.

November 11- We have lost more Americans through abortion, 60,000,000 since 1973, than we did in all of our wars combined.

November 18- Without life all other rights and issues are meaningless. Pray to end abortion and euthanasia. Human life-respect it, nourish it, love it. Help stop abortion and euthanasia.

November 25- Those who favor euthanasia (mercy killing), speak of the 'right to die'. No one needs a right to die; it's a fact of life. What they really want is the right to kill. Pray to end abortion and euthanasia.

December 2- John the Baptist, while still in the womb of Elizabeth, recognized Jesus in the womb of Mary and leapt for joy. This Advent season may we recognize Jesus as our Savior and be open to his joy, peace, and love.

December 9- "If it be necessary to go against the current of what is sometimes being thought and said on all sides, then let us never grow weary of repeating it-All human life must be absolutely respected; in fact, abortion and euthanasia are murder." -Pope Paul VI

December 16- We have a choice: We can throw in the towel or we can use it to wipe the sweat off our face and work hard to end abortion and euthanasia.

December 23- "The mystery of the Incarnation reveals the specific value of the dignity of human life. God gave us this gift and sanctified it when the Son became man and was born of Mary. Life is a gift that must be protected, from conception until natural death. With all my heart I join people involved in various initiatives aimed at respecting life and promoting a new social awareness." Pope Benedict XVI. Choose the culture of life

December 30- The only differences between the Herod of old and the "Herods" of today are in the weapons used and the number of victims. Herod used swords and spears to kill the Holy Innocents. Today's Herods use surgical abortion, 'The Pill' and other chemical weapons. And whereas Herod killed a relatively small number of babies, today's Herods have butchered, worldwide, hundreds of millions with no end in sight!
